

MARTIN CARSWELL TOOL LIST

1 DAY WORKSHOP

CARD WALLET (Beginner level workshop)

Cutting mat

Pen (fine liner 0.2mm)

Pencil & Note pad

Plastic glue spatula

Masking tape (low tack)

- Punching board (end grain timber or OKA make good ones too out of plastic)
- Skiving surface (can be glass, granite, or porcelain tile)

Beeswax small block

Foam brush

- Heat gun or hair dryer, **(I'm sure there will be a number of lovely ladies with hair dryers willing to share)**

Rags

Steel Ruler

Knife

Edge dressing tool (edge slicker)

Sanding block (cork block or similar will work)

Stitch groover (1.5-2mm groove)

Skiving knife can be Japanese style skiving knife or paring knife or your Robert Witthahn skiving knife)

French edger (up to 10-12mm max)

Wing dividers

- ****Pricking irons (3.0,3.38 or 3.85mm preferred with multi prong, and two prong irons.**

I really like Amy Roke but they are expensive, so would recommend Kevin Lee to those on a budget)

Soft face maul or hammer

Stitching awl (same width blade as pricking iron teeth preferred)

*Polished face domed hammer

Edge beveller (size 00 or 0)

Wooden slicker

Creasing iron 1.5-2mm (adjustable creaser is ok)

FOR YOUR INFORMATION

- **** Dimensions will supply the OKA punching board to use during the workshop**
 - **** Skiving glass can be supplied if you are flying add this to the "TOOLS FOR TRAVELLERS"**
 - **** Polished domed hammer (if you are flying there will be about 3 in the workshop that Cheryl will supply to use)**
 - **** Kevin Lee French Pricking irons are around US \$90.00 for a set of 2 & 8 irons**
 - **** A basic beginners set of 2 & 5 irons is cheaper approx cost \$US 30.00**
